

CLEAR HORIZONS  
EARLY COLLEGE HIGH SCHOOL

Dear 8<sup>th</sup> grade student and family,

I am delighted to tell you of an opportunity available only to current 8<sup>th</sup> grade students who live in CCISD. In the spring of your 8<sup>th</sup> grade year you will be able to apply for admission into one of the premier schools in the state of Texas, Clear Horizons Early College High School!

Clear Horizons is a CCISD Charter School where students attend grades 9 – 12 on the San Jacinto College South Campus. Students attending Clear Horizons earn a high school diploma and an associate degree from San Jacinto College in their four years of school – completely free of charge!

CCISD pays college tuition, books, fees, etc., for the entire 60+ college hours students will earn while attending high school at Clear Horizons. The coursework is challenging: students take all Pre-Advanced Placement and Advanced Placement courses along with Dual Credit College courses, starting the freshman year. The coursework is designed to provide a seamless transition from high school to college for students who are typically underrepresented on university campuses.

Space is limited for admission into Clear Horizons: only 125 students are admitted each year. If we receive more than 125 applications, we utilize a lottery process to select applicants for admission; the remaining applicants are placed on a waiting list in case space opens in the future.

We hope you will consider Clear Horizons Early College High School. For more information, join us for an information session open to the community:

- January 16, 2018 – Clear Lake Intermediate 6:00 p.m.
  - January 18, 2018 – Victory Lakes Intermediate 6:00 p.m.
